Kim Sutton is a fabulous presenter, who has taught thousands of teachers the joy and excitement of “hands-on” math. Kim’s teaching experience includes over 40 years of classroom teaching, time as a regional math specialist and as a university instructor. Kim has worked with over 500 districts nationally and internationally as a staff development consultant. A former Associate Director of Project AIMS, Kim has a master’s degree in Mathematics Education and has been the keynote speaker for state and regional math conferences. Kim has produced many wonderful math games and tools and has written many articles about pattern blocks and classroom management.

Kim is the author of 18 titles, as well as the creator of the *10 Block Schedule for Math Fact Fluency program for Grades K-6*. Kim’s books include: *Math Engineers*, *Math Drills to Thrill*, *Math Focus Activities*, *Visual Tools*, *Number Line Workbook*, *Making Math Books With Children*, *Powerful Numbers 0-100*, *Place Value With Pizzazz*, *Do The Math*, *Dynamic Dice*, *All Aboard The Algebra Express*, *Fractions: A Part of the Whole*, *The Power of Digital Root*, *Let’s Get Started!*, *Dazzling Dominoes*, *Bump It!*, *Cooking Up Math Concentration* and her most recent book *Cooking Up More Math Concentration*.

Experience what others have learned—Kim Sutton is a dynamic, extraordinary educator whose enthusiasm and love for teaching are contagious! She gives you practical, easy to implement information and ideas that you will use for years. Don’t miss this wonderful opportunity to be thrilled, challenged and energized!
